Religious Exemption from Covid Vaccination:

As a true believer in The Lord our God, I practice daily living The Way God asks of us all. I live by faith not by fear. As a follower of Jesus Christ, it is my Christian duty to observe honor and uphold God's righteous way, I do so by obeying His law and keeping His commandments.

For in it the righteousness of God is revealed from faith to faith; as it is written,
"The just shall live by faith." Romans 1:17

On religious grounds, I hereby exercise my constitutional rights and make known my Covid Vaccination Exemption status. I declare exemption from all vaccinations and or immunizations requested by any and all persons, groups, or entities on the basis that it goes directly against my faithful beliefs as a Christian.

In consideration of this exemption, given authority to me by God our Father, Jesus Christ, and The Holy Spirit, I hereby affirm that the information in this exemption is correct and that any and all vaccines and immunizations to which I object, conflict with my religious practices, belief and or grounds. I understand I accept complete responsibility for my health and as I practice my religious belief in God, my rights, and my choice to exercise my faith in Him shall not be violated or infringed upon.
